# RESPIRATORY STAY in Mariánské Lázně

Where to strengthen your airways than in Mariánské Lázně, aspiring after the status of climate spa. In Reitenberger Spa Medical, we have prepared a stay with this focus for all those with respiratory problems. An optimal combination of medical and spa treatments complemented by a positive climate will help strengthen your breathing apparatus and you will “inhale” new life energy.

## Therapeutic treatments

We approach our clients on an individual basis and look for the best way to improve their health. In addition to the breathing gymnastics, you will also receive treatment procedures – inhalation, oxygen therapy, bath, and a stay in a salt cave. A few steps from the resort is the beautiful colonnade of Mariánské Lázně, where you can soak up the wonderful atmosphere of this spa city and treat yourself to a drinking cure from one of the springs.

## The package includes:

- accommodation for 7 nights,
- half board with light lunch (breakfast and dinner buffet, lunch menu with a choice of daily soup, salad buffet and breads),
- entry consultation with a doctor,
- 2 exercises for proper breathing under the supervision of a physiotherapist,
- 9 spa treatments (inhalation, oxygen therapy, bath),
- 3 entries to the salt cave.

## The price includes:

- access to the pool, hot tub and Kneipp treading pool,
- free entry to the Finnish, steam, aroma and infra-red saunas,
- free entry to the fitness centre,
- wellness bag, bathrobe and slippers in the room,
- Wi-Fi connection.
